IN THE SPECIFICATION:

On page 6, please replace the paragraph starting on line 21 with the following new paragraph:

Referring to FIG. 10 ~~Figure 4~~, another embodiment 110 of the shelf of the present invention is illustrated. Shelf 110 is of similar construction to shelf 10 and includes a plate member 140 and a fence 142, which is formed from a plurality of posts 144 and a band 146. However, in the illustrated embodiment, plate member 140 comprised a pie shaped plate member, which permits the size of the respective shelves to be increased but also typically necessitates the respective shelves to be rotated to their home positions for the cupboard door to be closed.
